Dear Hiring Manager,

I am writing to express my interest in the Dental Assistant position at Target Dental Care. With a Bachelor of Science in Dental Hygiene and 14 years of experience as a dental hygienist, I have developed a deep commitment to enhancing patient care and promoting optimal oral health.

Throughout my career, I have honed essential skills such as patient education, preventive dentistry, radiography, and effective communication. My approach to patient care is grounded in compassion and empathy, ensuring that each individual feels comfortable and informed throughout their treatment journey. I take pride in being detail-oriented; maintaining accurate records and adhering to sterilization protocols are second nature to me.

In high-pressure environments, I thrive on multitasking while remaining focused on delivering exceptional service. My ability to collaborate with team members has always been a strength of mine—supporting those around me fosters an atmosphere conducive to both professional growth and outstanding patient experiences.

I am particularly drawn to Target Dental Care's mission of providing personalized attention through innovative treatments while prioritizing community well-being. This aligns seamlessly with my values as a healthcare provider dedicated not only to the technical aspects of dental care but also to building lasting relationships with patients.

I look forward to the opportunity for further discussion regarding how my background can contribute effectively at Target Dental Care. Thank you for considering my application.

Sincerely,
Olivia Thompson
