Dear Hiring Manager,

I am writing to express my interest in the Pharmacy Technician position at Walgreens. With a Bachelor of Science degree in Pharmacy and two years of experience as a Pharmacy Assistant, I have developed a strong foundation in medication dispensing, customer service, and inventory management that aligns well with Walgreens' commitment to accessible healthcare solutions.

In my previous role, I demonstrated excellent communication skills and problem-solving abilities while assisting pharmacists in managing patient prescriptions. My attention to detail ensured that medications were dispensed accurately and efficiently, contributing to optimal patient care. I thrive in fast-paced environments and am adaptable to diverse working conditions, which allows me to effectively collaborate with healthcare professionals.

I take pride in providing exceptional customer service by addressing inquiries related to health products and guiding patients through their medication needs. My proficiency with pharmaceutical software enhances my ability to manage tasks efficiently while maintaining confidentiality regarding patient information.

I share Walgreens' dedication to promoting community health and wellness through integrity and innovation. My passion for improving patient outcomes drives my commitment to safety within the pharmacy setting.

Thank you for considering my application. I look forward to the opportunity of discussing how my skills can contribute positively toward fulfilling the mission at Walgreens.

Sincerely,

Chris Nguyen
