Dear Hiring Manager,

I am writing to express my interest in the Computer Science position at Tech Innovations Inc. As a recent graduate with a Bachelor of Science in Computer Science and two years of experience as an Intern Software Developer, I have developed a strong foundation in software development and a passion for innovative technology solutions.

During my internship, I honed my skills in Java, Python, HTML, CSS, and JavaScript while collaborating with cross-functional teams. This experience has not only strengthened my technical abilities but also enhanced my communication and teamwork skills—qualities that align well with Tech Innovations Inc.'s commitment to collaboration and continuous improvement.

I thrive in environments that encourage adaptability and creative problem-solving. My detail-oriented approach helps me develop software applications that meet client needs effectively while ensuring optimal performance. Additionally, I stay current with industry trends to integrate the latest technologies into development processes seamlessly.

I am particularly drawn to your mission of empowering businesses through cutting-edge software solutions. I believe that by contributing to such transformative initiatives at Tech Innovations Inc., I can further cultivate my abilities while delivering value to clients navigating the complexities of today's digital landscape.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team's success at Tech Innovations Inc.

Sincerely,
Aya Singh
