With a Bachelor of Science in Occupational Therapy and two years of experience as an Occupational Therapy Assistant, I am excited about the opportunity to contribute to your team and support your mission of enhancing the quality of life for individuals across diverse communities.

In my previous role, I developed strong clinical assessment skills that allowed me to effectively evaluate patients' needs and contribute to their rehabilitation journeys. My experience has fostered a deep appreciation for patient-centered care, aligning with HealthCare Solutions' commitment to compassionate interventions that empower clients toward achieving greater functional independence.

I thrive in collaborative environments where teamwork is paramount. My adaptability ensures that I can respond thoughtfully to diverse patient needs and adjust treatment plans as necessary.

I admire HealthCare Solutions' dedication to holistic well-being and continuous improvement.
