Dear Hiring Manager,

I am writing to express my interest in the Barista position at Starbucks. With a Bachelor of Science degree in Business Administration and over seven years of experience as a Team Leader, I have developed strong customer service and team leadership skills that align with Starbucks' commitment to enriching lives through coffee.

During my career, I have honed my ability to create positive customer interactions while effectively managing tasks in fast-paced environments. My experience in sales management has equipped me with a detail-oriented approach, allowing me to maintain high standards of quality and organization, crucial for ensuring compliance with health and safety regulations.

I thrive on collaboration and enjoy engaging with customers to provide them an exceptional experience. My strong communication skills enable me to connect well with both colleagues and customers, fostering an inclusive atmosphere that reflects the community-oriented values of Starbucks. Additionally, I am adaptable and capable of handling challenges under pressure while maintaining a friendly demeanor.

I am passionate about learning more about coffee preparation techniques and eager to contribute positively not only by serving high-quality beverages but also by participating actively in training programs that enhance both product knowledge and customer service excellence.

Thank you for considering my application. I look forward to the possibility of discussing how my background can complement the team at Starbucks.

Sincerely,

Min Park
