Dear Hiring Manager,

I am excited to apply for the Video Editor position at Creative Media Co., as advertised. With a Bachelor of Arts in Film Studies and a year of hands-on experience as a Video Intern, I have developed a strong foundation in video editing and storytelling that aligns with your company's commitment to creativity and collaboration.

During my internship, I honed my skills in Adobe Premiere Pro and After Effects, producing polished videos that resonate with diverse audiences. My ability to work under tight deadlines has taught me the importance of time management while maintaining high-quality standards. I thrive in environments where teamwork flourishes, enjoying collaborative discussions with directors and producers to fully understand project visions.

I take pride in my attention to detail, ensuring that every aspect of the video—from graphics to sound design—enhances the overall narrative. Adaptability is key; I welcome constructive feedback as it fuels my growth and refines my craft further.

Creative Media Co.'s mission resonates deeply with me—the drive to empower storytellers aligns perfectly with my passion for visual storytelling. I am eager to contribute fresh ideas while adhering strictly to industry best practices within your dynamic team.

Thank you for considering my application. I look forward to the opportunity to discuss how my background can complement the innovative work being done at Creative Media Co.

Sincerely,
Yuki Liu
